Your Health Information and Our Privacy Policy

In accordance with the Australian Privacy Principles contained in the Commonwealth Privacy Act 1988 and applicable State legislation.

Mr David Oehme respects your right to privacy and thus has systems and processes in place to ensure it complies with the Australian Privacy Principles. This statement is a summary of the practice's privacy policy.

Mr David Oehme collects information about you for the purpose of providing health services to you. Personal information such as your name, address and health insurance details are used for the purpose of addressing accounts and sending relevant correspondence, as well as processing payments and writing to you about our services and any issues affecting your health care.

Mr David Oehme may disclose your health information to other health care professionals or third parties, or require it from them if, in our judgement, it is necessary in the context of your care.

Please sign this form as confirmation that you have read and understand our Privacy Policy, and consent to the use of you information in the ways outlined.
